Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Little Kids Rock, Inc. as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

LITTLE KIDS ROCK, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

1. NATURE OF ACTIVITIES

Little Kids Rock, Inc. (the "Organization") was incorporated in the State of California in 2001. The Organization is operated exclusively for charitable and educational purposes, with a particular focus on music education. Business and administrative functions of the Organization are located in the State of New Jersey. The following descriptions provide more detail regarding specific programs run by the Organization:

Mentorship: The Organization provides training and support for teachers and other types of mentors enrolled in the music education program in order to help facilitate and establish a safe, nurturing, supportive and fun environment for students.

Music Education: In accordance with its mission, the Organization provides music education to students, primarily from low income backgrounds in order to foster musicianship, to develop confidence, responsibility, discipline and other lifelong values.

Musical Instruments: The Organization purchases and provides musical instruments to provide the opportunity for students to participate in music production, recording and performances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting --- The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation --- The Organization presents its financial statements in accordance with guidance issued by the American Institute of Certified Public Accountants' Audit & Accounting Guide for *Not-for-Profit Entities* and the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC).

ASC Paragraphs 958-605-45-3 through 7, *Contributions Received*, requires that unconditional promises to give be recorded as receivables and revenue and requires the organization to distinguish between contributions received for each net asset category in accordance with donor imposed restrictions. ASC Paragraphs 958-205-45-2(a) through (d) establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into three net asset categories according to externally (donor) imposed restrictions; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Accordingly, net assets of the Organization and changes therein would be classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations. This represents the portion of expendable funds available to support the Organization's programs and activities.

LITTLE KIDS ROCK, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Organization had \$1,902,749 and \$1,416,457 of temporarily restricted net assets for the years ending December 31, 2015 and 2014 respectively.

Permanently restricted net assets - Net assets subject to donor-imposed restrictions stipulate that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. There were no permanently restricted net assets in 2015 or 2014.

Cash and cash equivalents ---The Organization considers all unrestricted cash, short-term securities and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Accounts receivable --- Accounts receivable are stated at the amounts management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to expense and a credit to a valuation allowable based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Management has determined not to record an allowance as they believe all outstanding accounts receivable at December 31, 2015 and 2014 will be collected.

Inventory --- Inventory consists of musical instruments purchased and donated to the Organization during the year that have not been distributed to music education programs by year end. Inventory is stated at the lower of cost or market value and is typically released from storage within two months from its purchase. All instruments are purchased on an as needed basis. At December 31, 2015 and 2014, inventories consisted of \$71,295 and \$64,207 of musical instruments.

Promises to give, revenue and support recognition --- Contributions, including unconditional promises to give, are recorded as received. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. All amounts not expended in accordance with specific restrictions are recorded as a liability in the financial statements, as the Organization does not maintain any equity in the donation. Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using interest rates consistent with unsecured individual credit rates applicable to the years in which the promises are to be received. The Organization uses the allowance method to determine uncollectible promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made. Funds received in advance of their proper usage are accounted for as deferred revenue in the statement of financial position.

LITTLE KIDS ROCK, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Fixed assets --- Fixed assets are recorded at cost and are depreciated using the straight-line method over the estimated useful lives of the assets, generally 2-5 years. Depreciation is provided based upon the actual number of months in use during the year the costs are capitalized. The Organization's policy is to capitalize fixed assets with a purchase price of \$5,000 or more and a useful life of one year or more. Expenditures for maintenance, repairs and renewals of minor items are charged to earnings as incurred. The cost of assets retired or otherwise disposed of and the related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is reflected in the statement of activities. Major renewal and improvements are capitalized.

Compensated absences payable --- Full time employees of the Organization may accrue paid time off up to thirty days based on date of hire. At December 31, 2015 and 2014, the Organization accrued \$108,424 and \$96,066 of expenses related to unused paid time off.

Donated goods --- Non-cash donations, recorded in contributions were fair valued at \$97,954 and \$213,200 for the year ended December 31, 2015 and 2014. These donations aided the Organization in accomplishing its mission.

Donated services --- Individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition under accounting principles generally accepted in the United States of America.

Income taxes --- The Organization is a not-for-profit organization described under Section 501(c)(3) of the Internal Revenue Code ("I.R.C.") and is therefore exempt from federal income taxes under Section 501(a) of the I.R.C. The Organization is also exempt under corresponding state statutes in all 50 states. Accordingly, no provision for Federal or State income taxes has been presented in the accompanying financial statements.

The Organization adheres to FASB ASC Topic 740, *Income Taxes*, which provides guidance and clarification on accounting for uncertainty in income taxes recognized in the Organization's financial statements. The guidance prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, and also provides guidance on de-recognition, classification, interest and penalties, disclosure and transition. For the year ended December 31, 2015 and 2014, the Organization has no material uncertain tax positions to be accounted for in the financial statements.

LITTLE KIDS ROCK, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Income taxes (cont.) --- The Organization files income tax returns with the Internal Revenue Service and all 50 U.S. State jurisdictions. The Organization's Form 990, Return of Organization Exempt from Income Tax, is subject to examination by the IRS, generally for three years after they were filed. Each state has its own statutes governing the examination period. The Organization hires a third party to file registrations in all 50 states and as such, the third party maintains the compliance for these state filings, which are usually subject to examination for three to five years after they were filed.

Use of estimates --- The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses --- Expenses are charged to each program based on direct expenditures incurred. Any program expenditures not directly chargeable are allocated to programs based on units of service and support costs are allocated to programs based on methods considered by management to be reasonable. Program expenses are those related to music education and musical instruments. Management and general relate to administrative expenses related to those programs. Fundraising includes direct and indirect costs of special events.

Subsequent events --- Management has evaluated subsequent events through April 30, 2016, the date on which the financial statements were available to be issued, and have determined that there are no subsequent events that require disclosure.

3. CONCENTRATIONS OF CREDIT RISK

Arising from cash deposits in excess of insured limits --- The Organization maintains its cash accounts in two financial institutions. During the year, cash balances may exceed federally insured limits of \$250,000. Management believes that the Organization has no significant risk of loss on these amounts due to the failure of the institutions.

Funding dependence --- For the years ended December 31, 2015 and 2014 no donor accounted for more than 10% of the Organization's total revenues.
